

Li Zhongjie of Wanyu Cultivation Family Farm sent a banner with the words "Love for Agriculture, Countryside and Farmers, Doing Practical Things to Protect Grain and Weakening People's Hearts" to the person in charge of the direct warehouse of COFCO Nanyang, thanking them for handling the urgent problems of growers in this year's wheat harvest and returning the summer grain to the warehouse in time.

During this year's wheat harvest, one hundred mu of wheat cultivated by Wanyu Family Farm faced the problem of insolation. After the person in charge of Nanyang Direct Warehouse of China Grain Reserve learned about the situation, the farmers were anxious and arranged for the farm to pull the wheat to threshing ground Direct Warehouse for insolation.

乡为补齐镇区功能短板以创新和优化三农服务为重点

They also played an exemplary and leading role in Communist party member, from the leaders down to the ordinary employees, sweating under the scorching sun and high temperature, holding shovels to spread wheat for drying, ensuring that farm property was not lost and wheat grains were returned to the warehouse.

The person in charge of Wanyu Family Farm indicated that in the future, it will take Nanyang Grain Storage as a model, help the disadvantaged groups, do its social duty and shine in the rural revitalization strategy.
